Derby Work-Day #3

Saturday, February 15, 2-5

Dear Parents,

This Saturday is the final work day we will be having for the Pinewood Derby. If your boy is going to make a car it is time he start giving it some thought!

This Saturday's work day is from 2pm - 5pm. We will have the tools available to cut the cars out, sand them and put the wheels on. Whatever spray paint we have left will be available to use.

Saturday, February 22nd is the Test Day (optional). We will have the track setup from 11am - 3pm for test runs. Also, we will be putting weight in the cars for anyone that would rather we do it here instead of at home. Note that we will not be working on cars other than weight and test runs.

Pinewood Derby cars are still available if your boy needs one!

The cars for this race must be kits purchased from Stockade this year and must be newly made for this race. Cars made for Cub Scouts, Royal Rangers, school, or for a previous Stockade year etc., are not able to be used.

On our website 2047.org (Derby Link) we have photographs of past cars, "how-to" videos, help links, etc. for derby cars.

Lastly, there are still registratrion fees that have not been paid. Reminders have been sent twice. The group can't operate without money and I prefer that we do not do fundraising like the Scouts & Little League. See me if you have not already done so.

If you have any questions please feel free to contact me.

Jim - 662-0335 or jim@2047.org
