

Derby Workday **This Saturday, February 9th - 11am - 2pm** (next workday, Saturday, January 26)

Note: this is not a workday for the girls cars/races, that is totally separate from the boys activities.

There are still 3 weeks left before Derby cars are due. If a car has not been started yet, it's time!

On February 23rd, 11-2 we will have the track setup and the supplies to add weight to the Stockade cars. This test and work day are for the Stockade boys.

If your boy wants to make a car and needs assistance but can't make the work days - contact me and we will find a time that works.

On our website 2047.org (Derby Link) we have photographs of past cars, "how-to" videos, help links, etc. for derby cars.

Note: Our Pinewood Derby is a fun, low stress activity. We make cars, we race, some kids win and some don't. We eat snacks, give out some awards and then go home. If you have any questions, contact me. 662-0335 or jim@2047.org

We will once again webcast the Derby live on YouTube!
[YouTube.com/csb2047](https://www.youtube.com/csb2047) or
[2047.org](https://www.2047.org)

If your boy has someone who would enjoy seeing him race but are unable to attend the race in person - they can watch it live online or anytime after the race!
