Additional Information:

- We will only receive the special rate if we have 15 or more paying participants. If we have to cancel due to lack of participation before reservations are made then a full refund will be given. This will only occur if we don't get 15 participants by Dec. 11th
- Once we make reservations refunds requested will be dealt with on a case by case basis. The water park requires a non-refundable deposit when we make the reservations. If we have to cancel due to bad weather we can reschedule with the water park without losing the deposit. Please contact me if you have any questions on this policy.
- Our return time will depend on how the guys are doing. We will arrive, have a few hours at the park then leave for lunch. We will then return to the park and stay until they are tired. Even so I anticipate that we will be on the road around 4:00pm getting us back to Church around 6:00pm. As they may be hungry again we may make a quick stop on the way home. Consider that for their food allowance.
