## **TUESDAY & WEDNESDAY STOCKADE**

Dear Parents,

**Pinewood Derby Cars will be available starting December 15th.** We will have some "help" days scheduled to assist Stockaders with their cars in January as well as a "test day" where we can add weight and test the cars on our track. Note, the Work Days are for Stockade cars only. The cost of the car is \$10, the same cost as last year.

The purpose of the derby is for your boy to spend some fun time making a car with an adult. When the car is made - we race, eat some brownies, give out trophies and go home. It's a low stress and a lot of fun. Note that "Test Day" is not a day to cut out cars and assemble them. It is only for adding the weight in the cars and testing them.

**The first work day is Saturday, January 16th @ 11am-2pm.** Boys can show up any time during that period. If their Dad wants to assist him they are both welcome to come and use the tools.

The cars for this race must be kits purchased from Stockade this year and must be newly made for this race. Cars made for Cub Scouts, Royal Rangers, school, or for a previous Stockade year etc., are not able to be used.

On our website 2047.org (Derby Link) we have photographs of past cars, "how-to" videos, help links, etc. for derby cars.

Over the last couple of years Tuesday Stockade has been integrating some different materials than we have used in the past. This has introduced more structure and allowed us to expand our options with the in-meeting activities. The "achievements" we have been using are geared towards boys aged 8-12 and actually are centered around the boys earning patches and awards. Since it has been 10-15 years since we have used achievement patches/uniforms this is something new for this group of boys and parents.

**THE UNIFORM SHIRTS ARE NOT REQUIRED** and we will never be as hard core or extreme as other groups by assigning homework or have mandatory requirements/participation, etc.. Some boys like a showing off their patches and others prefer not to. We are fine with either. In Tuesday half the boys want the uniform shirt and half are happy with the t-shirt.

**THERE IS NO ADDITIONAL COST ASSOCIATED WITH THE UNIFORM SHIRTS.** The boy uses it for the year and then hands in the shirt at the end of the year. The patches the boy earns are affixed to a snap-on which stays with him. When he returns next year or as he grows into a larger shirt, etc, this simply snaps off and is affixed to the new one. Also, you do not need to sew or do anything with the shirt. As a patch is earned it is attached to the shirt that night.

If you have any questions on the shirts, the derby or anything else, please feel free to contact me at 662-0335 or jim@2047.org.

**INVITE A  
FRIEND!**

**Due to missing so many weeks last year because of the weather damage and the large number of boys who moved to Monday Battalion due to age we are still looking for boys to join Stockade.** Please pass the word on Stockade by sharing the website Join2047.com. If you would like any brochures or cards to hand out, see Jim.
