TUESDAY & WEDNESDAY STOCKADE

Pinewood Derby Cars are now available. We will have some "help" days scheduled to assist Stockaders with their cars (see dates below) as well as a "test day" where we can add weight and test the cars on our track. Note, the Work Days are for Stockade cars only. The cost of the cars is \$10, the same cost as last year.

The purpose of the derby is for your boy to spend some fun time making a car with an adult. When the car is made - we race, eat some brownies, give out trophies and go home. It's a fun event. Note that "Test Day" is not a day to cut out cars and assemble them. It is only for adding the weight in the cars and testing them.

The cars for this race must be kits purchased from Stockade this year and must be newly made for this race. Cars made for Cub Scouts, Royal Rangers, school, or for a previous Stockade year etc., are not able to be used.

On our website 2047.org (Derby Link) we have photographs of past cars, "how-to" videos, help links, etc. for derby cars.

Note: Our Pinewood Derby is a fun, low stress activity. We make cars, we race, some kids win and some don't. We eat some brownies, give out some awards and then go home. If you have any questions, contact me. 662-0335 or jim@2047.org

For those that have a girl in Pioneer Girls and a boy in Stockade. Be careful not to get the car kits mixed up. The girls car kit uses a different wheel from the boys. Pioneer Girls is using the "old" style wheel while the boys are now required to use the "new" style. The Stockade race falls under a set of regional rules/requirements for all of WNY while the girls race is only a local group race. The difference in price of the kits is due to boys having a more expansive race, regional registration, extra costs associated with the track and tolls.

We will once again webcast the Derby live on YouTube!

If your boy has someone who would enjoy seeing him race but are unable to attend the race in person - they can watch it live online or anytime after the race!
