

Parents of Wednesday Stockade Cadets,

The Pioneer Girls group that meets in the church building decided, without any notification, they would be changing their meeting times this year.

They now begin and end a half hour before Stockade Cadets. Understand that the Stockade Cadets were not involved in or even informed of this decision.

Due to the work schedules of the majority of the Stockade Cadet leaders we simply are unable to change our meeting times to align with the girls group. Pioneer Girls and the church were told this numerous times when this topic was discussed over the last number of years.

You have my sincere apologies that this will complicate participation in the Wednesday night programs for parents, boys, and the leaders who invest so much into operating an action packed, safe and consistent Stockade Cadets group.

Stockade Cadets meeting times remain 7-8:30pm. Boys can arrive starting at 6:45pm and can get picked up between 8:30-8:45pm.

Jim Szczodrowski
