Friday, March 31st, Battalion will be going to Get Air in Cheektowaga.

We will be staying there approx. 2 hours, will stop for pizza or some food on the way home and then returning to the gymnasium. Hopefully we will be back at the gym between 11 & 11:30 it all depends on how crowded Get Air is.

The cost for the activity is \$18. Battalion will cover the cost of pizza and drinks afterwards. (If you already own “jump socks” bring them.)

All participants (jumping or not) are required to have a waiver on file with Get Air as well as a permission slip on file with Battalion.

The Get Air waivers are filled out online at <http://getairbuffalo.com> If you have jumped in the last year they will have your waiver already on file.

We need to know next Monday, March 27th who will be attending so we can plan rides.

Any questions, contact Jim @ jim@2047.org, call or text 536-4077.
