Dear Parents,

This week wraps up the year for both Tuesday and Wednesday Stockade!

The group will (tentatively) start up once again the week of September 14th with both Stockade groups and Battalion Cadets. Watch the website, facebook & twitter for information over the Summer.

If your boy is 12 years old in September he will be in his option year of Stockade. What that means is he can remain in Stockade or promote into Battalion Cadets (Stockade for the older guys aged 12 - 15). If he is 13 years old it is time to move into Battalion Cadets.

I will be in contact with the guys moving up in August to explain everything in more detail. We will be moving a lot of boys to Battalion next year so both Tuesday and Wednesday Stockade will be looking for a lot of new guys to join! You could help us out by spreading the word!

Over the summer (weather and scheduling permitting) we may have a couple activities. The boys will be notified through the mail, the website, etc.

We already have a tentative schedule online (calendar link) for the 15/16 year as well as a complete financial reporting of the year (parent info link), and a Parent Survey we are asking parents to fill out. This will help in our planning for the next year.

Watch your mail in August for information on Stockade as we will be offering two distinct styles for our group. Wednesday will remain as it is while Tuesday will be offering a more structured Stockade Cadets. Stockade Cadets will be following the same schedule, activities, Pinewood Derby, etc.. What will be different is the small group time within the weekly meeting. More information will be sent out over the Summer.

Have a great Summer!
