Dear Parents,

For boys that can make it we will be launching rockets at Chestnut Ridge park on Saturday, October 28 from 11-1:30 (weather permitting). Due to damage in the park you are unable to drive to the spot. Boys can either be dropped off on Chestnut Ridge Road or at the top of the sledding hill.

We will be at the bottom of the sledding hill and will have all the rockets and supplies. If the weather cooperates we may play some football, etc.

If the weather does not allow for launching of the rockets we'll post it on the website, facebook and twitter as well as send a text to the number we have on file.

Please send in the Permission Slip if you have not already done so. We are waiting for the shirt sizes so we can order the t-shirts.

Any questions you can contact me at 662-0225 (h), 536-4077 (cell, call or text) or email at jim@2047

Visitors are always welcome at Stockade!

During poor weather if Orchard Park Central Schools are closed for the entire day due to weather, Stockade is canceled.
If school is dismissed early or after school activities are canceled, we still have Stockade.
If you are not sure check the Stockade webpage. If the weather is bad where you live, stay home.

For Wednesday Stockade - the Pioneer Girls follow a different policy for closures. If Wednesday Stockade is canceled you will hear it from us and it will be stated on our website, twitter, facebook and you will receive a phone call or text.
