Stockade Uniforms

Boys in both Tuesday and Wednesday Stockade who want uniform shorts have begun receiving them.

For those unfamiliar with the uniform shirts here is how they fit into Stockade - During the weekly meeting the boys participate in various activities/projects where they can earn patches. Currently, Tuesday Stockade is working on Canoeing and Wednesday on Maps & Compass. Whether a boy has a uniform shirt or not will not change his participation or activities in Stockade. Some boys like the uniform shirt and others don't. It's totally up to the boy if he wants one or not - they are not required.

The patches the boys earn are attached with velcro and are removable when a larger sized shirt is required. A boy receives a shirt at the start of the year and turns it in at the end of the program year. If the shirt is lost or not turned in there is a replacement charge of \$20. The patches the boys earn belong to the boy to keep.
