

Dear Parents,

If you have not already done so, please send in the permission slip and registration. If you need a copy of the permission slip you can either see me at Stockade or download it from our website (2047.org click on parent letters).

Once we have the permission slips handed in we will make the Stockade T-Shirts which the boys can then begin wearing to Stockade each week. (Tuesday Stockade see below for info on uniform shirts)

On Saturday, October 21st or 28th from 11-2 we will be meeting at Chestnut Ridge Park to launch the rockets the boys have been making. Next week we will have a firm date as it depends on the progress the boys make with the rockets this week and next week. If the boys are unable to make the rocket launch they will be able to take their rocket home and launch it with their family or possibly we will launch them again in the spring.

If you have any questions or concerns please feel free to get in touch. See me at Stockade or call 662-0335, 536-4077 (cell/text) or email jim@2047.org

TUESDAY STOCKADE

Returning Tuesday Stockade guys received their uniforms this week. These should be returned at the end of the program year.

For new people in Stockade here is where uniform shirts fit in. During the weekly meeting the boys participate in various activities where they can earn patches. Whether a boy has a uniform shirt or not will not change his participation or activities in Stockade. Many boys like uniform shirts as a "group thing" and they like showing off their badges.

The patches the boys earn are attached with velcro and are removable when a larger sized shirt is required. A boy receives a shirt at the start of the year and turns it in at the end of the program year.

If your boy wants a uniform shirt let me know.
