

Due to a change made in the OP Schools calendar we needed to change the Pinewood Derby race date which also affected the work days. The revised dates are below.

Pinewood Derby Cars will be available starting January 3rd. We will have some "help" days scheduled to assist Stockaders with their cars in January as well as a "test day" where we can add weight and test the cars on our track.

The purpose of the derby is for your boy to spend some fun time making a car with an adult. When the car is made - we race, eat some brownies, give out trophies and go home. It's a fun event. Note that "Test Day" is not a day to cut out cars and assemble them. It is only for adding the weight in the cars and testing them.

The cars for this race must be kits purchased from Stockade this year and must be newly made for this race. Cars made for Cub Scouts, Royal Rangers, school, or for a previous Stockade year etc., are not able to be used.

On our website 2047.org (Derby Link) we have photographs of past cars, "how-to" videos, help links, etc. for derby cars.

Note: Our Pinewood Derby is a fun, low stress activity. We make cars, we race, some kids win and some don't. We eat some brownies, give out some awards and then go home. If you have any questions, contact me. 662-0335 or jim@2047.org

We will once again webcast the Derby live on YouTube!
[YouTube.com/csb2047](https://www.youtube.com/csb2047) or

If your boy has someone who would enjoy seeing him race but are unable to attend the race in person - they can watch it live online or anytime after the race!
