

# Battalion SQUAD Meeting:

October 7, 2013

**Principle:** The Call to Godly Living Part 4

**Bible Reading:** Ephesians 4: 11-16, Hebrews 5:13-14

**Overview:** Surrender, doing, discerning (good from evil) weeks 1-3. Tonight it's about growing and maturing as Christians. From this point on in your life it should be our goal to grow in knowledge, to discern right from wrong, and to be more Christ like.

Ask the squad the following questions:

1. Spend a short time asking how the squad did with last week's assignment. Remember - on how we are to improve in two areas of weakness. Again if we did not remember than we are only hearers and not doers.
2. Godly living is not all just about us, in vs12 we learn another important aspect of godly living which is? (hint: service)
3. Gives some examples from the answer to #2 on how you can do this at your age?
4. To become mature in our godly living, what is one aspect that should change?  
(Hint: vs13 – knowledge of Christ)

5. How does knowledge help us in our godly walk? (hint: vs 14 – it will help us discern from false teachings, recognize deceitful schemes, prevent the influence of friends trying to get us to do things that are not godly, etc.)

6. In the Hebrews passage we must move from what to what as an example of maturing? What does he mean by that? (Hint: milk to meat – learning more complex principles of our faith like moving from addition to calculus in math)
