

Parents

Stockaders have all received their t-shirts and uniform shirts (if they wanted one). A number of them are asking to buy a sweatshirt or a hoodie.

Sweatshirts and hoodies will be available for order starting tomorrow. You will order them and pay for them on the website.

Hoodies are \$16 and sweatshirts are \$13. This is our cost to purchase the blanks.

If your boy wants a hoodie or sweatshirt you can go to 2047.org starting tomorrow evening and order and pay online. Next Wednesday I will place the order for the items and will make them as soon as they arrive. The boys should receive the garments the first or second week of December.

NOTE: The boys will receive the size you order and since they are made to order there will be no exchanges for a larger or smaller size.

**There is no Stockade next Wednesday. Wednesday Stockade is invited to attend Spin the Wheel night at Tuesday Stockade.**
