## Stock-A-Rama 2017

May 19<sup>th</sup> & 20<sup>th</sup>

---

Attention Stockade Rangers!,

I hope you are beginning to make plans for this year's Stock-A-Rama at Camp Hickory Hill. Please use the enclosed information to help you prepare yourselves and your boys for a fun weekend of competition.

The Rangers at the Randall Baptist Stockade, Unit #518 have been busy planning and organizing this year's theme and event. The theme of this year's event is **The Chronicles of Narnia**.

A Stock-A-Rama 2017 Registration Form is included. Cabins will be assigned on a first-come, first-served basis. Due to the tremendous response over the past few years, we must make a limit of one cabin per Stockade. The cabins contain 12 bunks, so if additional space is needed, please bring air-mattresses, tents. Mail your form and deposit to Scott as soon as possible.

Once the scores or times for each event are determined, ribbons will be awarded to the top five posts, but points will be awarded to each participating post. Note that points can be earned at our two Saturday lineups.

Trophies will be awarded to the top three posts overall and plaques will be presented to the top three Stockades. (If a Stockade has more than one post, we will take the average points of its posts to determine the overall Stockade winners.)

***If you have any questions, please contact us. We look forward to seeing you in May!!***

Serving Christ together,  
Walter Smith & Sam Richbart

**P.S.    Reminder to Units New to Stock-A-Rama: Bring your own food.**

## 2017 Stock-A-Rama Events

For the events, please divide your boys at Stock-A-Rama into Posts of 4 to 7 boys. During the competitions posts will compete separately. This year's competitions are as follows:

### 1. Zip Line: *The Boulders of Beruna*

*None of Peter's troops move until he signals his winged animals to attack as the gryphon who spied on the White Witch also joins the winged animals. They fly out and drop boulders onto the enemy to soften them up.*

Each boy will receive 5 million points just for enjoying a ride on the zip line. He also has a chance to earn millions more by throwing the three balls he has with him at targets along the way; 10 million for hitting a small target, 5 million for hitting a medium size target and 1 million for hitting a large target.

### 2. Bouldering: *Don't Fall While Seeking Aslan*

*The Silver Chair tells the story of Eustace Scrubb's second trip to Narnia, accompanied by his friend Jill Pole, who had never been there before. The two of them are running from bullies at their school when they enter a door to hide, and find themselves in Aslan's country, next to a great cliff. Trying to show off, Pole wandered close to the edge, and in an effort to keep her from falling off, Scrubb fell off of the cliff himself.*

Bouldering is a form of rock climbing where you climb laterally instead of vertically. Your feet are never more than a couple of feet off the ground.

Four boys will attempt to boulder across side #1 of the climbing tower without touching the ground. Time is being kept but 60 seconds is taken off your time for each Stockader making it all the way across the side without touching the ground; 30 seconds off for just one "fall."

# The Chronicles of Narnia

When all four Stockaders finish side #1, four boys (Posts with more than four, Stockaders not climbing on side #1 must climb) will immediately begin side #2.

When these four Stockaders finish side #2, four boys will immediately begin side #3.

(All of your Stockaders must climb once before anyone climbs a second time. Likewise, all must climb twice before anyone climbs three times.)

## 3. Archery: *Don't Miss the Mark*

*Father Christmas. "These are for you," and he handed her a bow and a quiver full of arrows and a little ivory horn. "You must use the bow only in great need," he said, "for I do not mean you to fight in the battle. It does not easily miss."*

Each boy will receive three shots at targets at the archery range. Targets will be set up at varying distances. 10 million points will be earned for hitting the far target, 5 million for the mid range target and 1 million for the near target. There is some strategy here in determining which target to aim at.

## 4. Puzzle Room: *The Lamp Post*

A series of puzzles will lead you to clues that will eventually help you unlock the wardrobe that leads to Narnia. Correct answers to questions from the passages below will earn you more clues and a huge advantage. How fast can your post open the wardrobe and enter Narnia?

### **Bible Passages for study:**

Luke 23:26 to 24:12 -- the Death and Resurrection of Jesus

1 Samuel 17 -- David and Goliath

2 Corinthians 5:16-21 -- Ministry of Reconciliation

## 5. Obstacle Course:

Have fun with your guys as you practice for this event. Set up obstacles to go over, around and under. Have them throw a ball through a hoop, hop on one foot from one area to another, roll a tire through a goal, etc. Have them run through the obstacles **as a team at the same time** (4 to 7 guys). Emphasize teamwork.

Each obstacle is to be accomplished by 4 Stockaders with any extra Stockaders running beside the obstacle but not over it. The next obstacle will not be started until the fourth Stockader completes the previous obstacle.

If you have more than four boys in a post, please make sure all your boys participate “equally.” Each boy should do roughly the same number of obstacles.

## 6. Stilts: *Reepicheep’s Valiant Run*

*Backstory/Reference: The Chief Mouse, Reepicheep, is one of the most memorable and beloved characters in the Chronicles. Despite his size, he is the most valiant of all the Talking Beasts of Narnia. He does not lose heart even when Caspian despairingly tells him, “There are some things no man can face,” as he replies, “It is, then, my good fortune not to be a man.” Despite his fierce nature, Reepicheep is also a very courteous and polite mouse, and a loyal follower of Aslan. Reepicheep’s hunger for daring deeds leads him to the greatest adventure of all and his heart’s desire: Aslan’s Country.*

Each boy will have two tries on stilts to see how many cones he can “walk” past. The cones will be approximately 3 feet apart. The stilts used will be made to the specifications found at this link:

**7. NOTE: Your memory verses will be asked at a mystery location and will help you significantly at one of the events. Each boy should memorize each verse.**

We have printed the memory verses in NIV, but you are free to have your boys memorize from any translation. Please give the verse judge a copy of the verses in the version you used.

Psalm 141:9 -- Keep me safe from the traps set by evildoers, from the snares they have laid for me.

John 3:21 -- But whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God.

Acts 3:19 -- Repent, then, and turn to God, so that your sins may be wiped out, that times of refreshing may come from the Lord.

Ephesians 2:13 -- But now in Christ Jesus you who once were far away have been brought near by the blood of Christ.

Revelations 21:4 -- ‘He will wipe every tear from their eyes. There will be no more death’ or mourning or crying or pain, for the old order of things has passed away.”

## **Bonus verse:**

Exodus 17:6 -- I will stand there before you by the rock at Horeb. Strike the rock, and water will come out of it for the people to drink.” So Moses did this in the sight of the elders of Israel.
