# WEDNESDAY STOCKADE

Dear Parents,

If you have not sent in the permission slip and registration please do so next week (unless you have spoken with Jim). We are required to have on file permission slips and contact information. If you need a permission slip they are online at [www.2047.org](http://www.2047.org) or see an adult leader at Stockade.

**Pinewood Derby cars are now available!** We have several optional "help" days scheduled to assist Stockaders with their cars as well as a "test day" where we can add weight and test the cars on our track. Note, the Work Days are for Stockade cars only. The cost of the cars is \$10, the same cost as last year.

The purpose of the derby is for your boy to spend some fun time making a car with an adult. When the car is made - we race, eat some brownies, give out trophies and go home. It's a fun event. Note that "Test Day" is not a day to cut out cars and assemble them. It is only for adding the weight in the cars and testing them.

The cars for this race must be kits purchased from Stockade this year and must be newly made for this race. Cars made for Cub Scouts, Royal Rangers, school, or for a previous Stockade year etc., are not able to be used.

On our website 2047.org (Derby Link) we have photographs of past cars, "how-to" videos, help links, etc. for derby cars.
